TEST DRIVE YOUR CAREER

Philadelphia is the place to test drive your career with an internship.

YOUR CAREER BEGINS **HERE!**

“The staff helped me find a placement that was perfect for me! In the spring, I worked for the Philadelphia Phillies. **My experience at TPC was the blueprint for who I am today!”**

Wisdom Morris, SP'20
ALBION COLLEGE

ABOUT THE PROGRAM

Career Development

Our partnerships with small and medium-sized companies, start ups, and nonprofit organizations will give you opportunities to make an impact. We work with you to an internship specific to your career aspirations, ensuring relevant and impactful career development.

Urban Living

You'll feel the urban living, immersive experiences, and professional development in every part of your time in the program. We use the city as your classroom and provide you with social and academic support through thought-provoking courses and resources. Our dedicated staff help you grow, thrive, and take ownership of your academic and professional future.

Personal Growth

You'll be immersed in a new environment that will challenge you and enhance your cultural and personal awareness. Through our unique blend of academic coursework, real-world internships, and community partnerships, you will develop a deeper understanding of yourself and the world around you.

Our Network Becomes Yours

By joining our program, you will embark on life-changing experiences and become part of our network of accomplished alumni. This opportunity allows you to network, gain insights, and forge connections with successful professionals who share your experience in the program.

AN INVESTMENT IN YOUR FUTURE

Our program is an urban internship and living experience that'll help you grow, test drive your career, and think about the world differently in many new ways.

Our program costs reflect the unique value of this investment in your education and future as a global citizen. We also recognize the cost of these experiences and offer need-based aid and scholarships to help make the program affordable. **Each year, about 86% of students receive financial aid to attend the program.**
